

PICTURING PASTORAL IMAGINATION

SHARE A PHOTO A DAY
FOR LENT
SHOW THE WORLD WHAT
PASTORAL IMAGINATION
LOOKS LIKE IN YOUR LIFE
AND MINISTRY

- Ministry IS a spiritual practice
- Ministry embodies pastoral imagination.
- Show your friends, family, church members, and the world what ministry looks like through your eyes, with your camera lens, from your perspective.
- Let go of adding something to your “Lenten to do list.”
- Focus your reflections on how your ministry is a spiritual practice.
- Simply lift your phone or camera and capture the themes of pastoral imagination. One each day.
